Stated Purpose of Meeting

Magnus Wallen

The Art Selection Panel is gathered today to review a select group of invitational artists who have expressed interest in the commission for the Mural Wrap on the Lane Wiley Park Picnic Shelter as part of the CPAC (Community Planning Advisory Committee) Public Art Initiative. They are local working professional artists who have provided their qualifications to this Artwork Selection Panel as such.

SUNSHINE LAW / CONFLICT OF INTEREST

Magnus Wallen

- The Chair Pro Tem conveyed that the meeting is conducted in compliance with Sunshine and Public Records Laws, which means all communications and records related to City business are for the benefit of the public.
- Panelists cannot communicate with each other outside of a publicly noticed meeting.
- Chair Pro Tem inquired if any panelist has had communication regarding artist selection. None was reported and the Chair Pro Tem reminded the Panel to not discuss the project throughout the selection and design process.

- Chair Pro Tem explained that each Panelist must extend a vote on all applicants unless they have a conflict with one of the applicants (Chris Clark, Keith Doles, Dustin Harewood, David Nackashi and Tracie Harris Thompson).
- Chair Pro Tem stated that it is a conflict of interest for a Panelist to participate in a decision-making process if they may obtain a financial interest or benefit from it, either for themselves or those who have family or business ties, during their tenure or for one year thereafter.
- Any conflict must be stated for the record. None reported.

PUBLIC COMMENT (3 Minutes)

Magnus Wallen

None received.

PRESENTATION OF ARTISTS/DISCUSSION

Kat Wright

- Staff reviewed the artist evaluation criteria for the Lane Wiley Park Picnic Shelter Mural Wrap project and how a Panelist should score based on each criterion. The panel should evaluate each artist's work samples per the criteria and execution rather than their personal preference on the mural.
- Not only will an artist be selected today, but an alternate will be as well should the selected artist not be able to fulfill their duties.
- Staff shared that the selected artist will be required to program a mural on three visible sides of the shelter. While there is additional surface to cover, the \$25,000 budget limits the mural to the three sides.
- There are three security cameras in the park, but there are not with the picnic shelter in view.
- The selected artist may subcontract the execution if it helps expedite the installation to ensure project completion by late September. The costs of a subcontractor must be included in their budget.
- Staff shared the submitted resumes and work samples comparable to \$25,000 of Chris Clark, Keith Doles, Dustin Harewood, David Nackashi and Tracie Harris Thompson.

SCORING

Kat Wright

After presentations, Panel members submitted their individual scores for each artist to determine the overall score. The scores were tallied as follows:

- Chris Clark: 77 points
- Keith Doles: 85 points
- Dustin Harewood: 79 points
- **David Nackashi: 87 points**
- Tracie Harris Thompson: 70 points

- Staff asked the Panel if they would like to proceed with artist selection based on the scoring or open the floor up to discussion. The Panel agreed to proceed based on the scoring.

ACTION ITEMS - VOTING, SELECTED ARTIST & ALTERNATE

Magnus Wallen

MOTION: The Lane Wiley Park Picnic Shelter Mural Wrap Art Selection Panel approves **David Nackashi** to enter into an agreement with the Cultural Council of Greater Jacksonville for the project; pending final approval by the Art in Public Places Committee. Should they decline or are not able to fulfill their duties under the agreement, **Keith Doles** is approved as the alternate pending final approval by the Art in Public Places Committee (APPC). Moved by Magnus Wallen. Seconded by Christina Purdy.

NEXT STEPS

Kat Wright

Staff outlined next steps in the process:

- The selection will be presented to the APPC for approval.
- Once approved, a contract will be executed.
- The artist will have approximately 6-8 weeks to complete two conceptual designs for the Art Selection Panel's evaluation.
- The Artwork Selection Panel may decide to choose one concept to develop into a final design based on any revisions they Panel recommends.
- All work must be completed by late September.
